

*From everywhere they come flying  
From the north the wind is blowing to earth  
Rattling flying they come they come  
From everywhere they come*  
(song by Bear Necklace, a Teton Sioux)

Dear Eagle Clan member,

Welcome! We are so glad to have you in the Eagle Clan. We're looking forward to a time of intense trancework, meeting our inner councils and exploring ways to connect with core sources of inspiration to energize positive change in our lives and our communities.

If you have drums and rattles, please bring them. We may be working outside part of the time, so dress warmly and comfortably and bring raingear. You should also bring a scarf or other way to cover your eyes, a foam pad or mat to lie on, a blanket or two for warmth, and a journal and pen (or drawing materials if you prefer to record your journeys through drawing).

If you would like, bring something personal to put on the clan altar and be charged with energy (which you will take home again).

**Don't forget to read your general information packet carefully**, even if you have been to Twilight Covering before, and come on Friday prepared for the releasing fire circle that evening. Also please bring a contribution for our magical soup – a potato, carrots, garlic, onions, etc.

We're planning to fly far into the hidden world, individually and as a clan. We look forward to being with you.

If you have questions, email [eagleclan@earthhart.com](mailto:eagleclan@earthhart.com).

Blessed be,

Andrew Arthur
